Save the date for a fun filled weekend for beginner to intermediate painters.

The Blackstone Valley Art Association and Daniel's Farm in Blackstone will host a 3 day event Labor Day Weekend.

Friday September 4th there will be a plein-air workshop lead by award winning David Lussier and his wife Pam.

On Saturday the 5th, there will be a paint out featuring the Blackstone Valley area's waterway and countryside.

On Sunday the 6th David will provide a quick critique of the works done on Saturday.

There will be time to polish up the works before they will be shown under the big top for jurying for cash prizes and sale.

Daniel's Farm is also featuring their Farmer's Market and the Claflin Hill Symphony's Annual Patriotic Concert Sunday afternoon during the show. It will provide a beautiful backdrop for our art work.

Participation in the workshop will be limited to the first 15 people to sign up and pay.

Costs for the weekend are \$75 for all three days, \$25 for the paint out and show event.
